Heater sizing, controls and site requirements are confirmed with you before any order is placed.

YOUR BUXENA PROJECT

From model to first heat.

01 **Select your model**

Choose the sauna, or let a BUXENA specialist shortlist the models that suit your space.

02 **Configure your system**

The heater, controls and components are matched to the model and your project.

03 **Confirm your project**

We review dimensions, access, placement and site requirements, and set out an itemized written quote.

04 **We coordinate**

We coordinate delivery with you directly and confirm site access.

BUXENA coordinates the model, the correctly matched sauna system and your project requirements before the order is placed.
